## **Reasons for Allowance**

Claims 1-32 are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites a method of managing the distribution of facsimile messages to a recipient, comprising:

receiving a message from a transmitting facsimile via a telephone network message comprising receiving fax server telephone number appended with a recipient direct dial telephone number;

automatically parsing the message to extract the recipient direct dial telephone number from the message;

receiving a fax payload from the transmitting facsimile in the fax server;

determining an e-mail address and at least one recipient fax preference from the direct dial telephone number;

processing the fax payload according to the recipient fax preference; and

directing the processed fax message according to the recipient fax preference.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
